

Crypto Economy INBS

Dear valued partners,

We have some really exciting news to share with you.

As of Wednesday February 17th 12:00 PM GMT, INBS will confirm its switch to a FULL CRYPTO ECONOMY!

This means that, starting Wednesday, payments will only be accepted in BTC, ETH, USDT and USDC (for now). Our community will finally start to fully reap the benefits from the freedom and security cryptocurrency offers.

Given today's global financial climate, it has become more and more important to continue to remain legally compliant while also pushing the limits of innovation.

We have observed the trends for quite some time now, and we firmly believe that offering exclusive payment in cryptocurrency is the best way to smoothly initiate this transition within our community.

Now more than ever, we will need to stand tall and show courage as we venture into this next phase of our development.

Together, we have come this far, and together we will continue along the path to our shared success.

Thank you

Crypto Economy INBS

As of this Wednesday, February 17 at midnight GMT, INBS will switch entirely into the CRYPTO ECONOMY !

This means that as of Wednesday all payments will be made in BTC, ETH, USDT and USDC only (for now). Our community will therefore be able to take full advantage of the advantages linked to cryptocurrency offers, freedom and security.

The current international finance climate prompts us to continue to comply with regulations while pushing the boundaries of innovation.

We have been seeing these trends for some time now, and we are

becoming confident that offering cryptocurrency-only payment is the best way to make this transition in our community.

Today, more than ever, we need to rise up and boldly embark on this adventure, the next phase of our development.

We have come a long way together so far, it will be together that we will continue our journey to success.

Thank you.

Très chers partenaires

Nous avons une grande nouvelle à vous annoncer : à compter de ce mercredi 17 février à minuit GMT, INBS va basculer entièrement dans l'ECONOMIE CRYPTO !

Cela signifie qu'à compter de mercredi, tous les paiements se feront uniquement en BT, ETH, USDT et USDC (pour le moment). Notre communauté va donc pouvoir tirer pleinement parti des avantages liés aux offres en crypto-monnaie, la liberté et la sécurité.

Le climat de la finance internationale actuelle nous incite à continuer à nous conformer à la réglementation tout en poussant les limites de l'innovation.

Ces tendances, nous les observons déjà depuis quelque temps, et nous acquérons la certitude que l'offre de paiement exclusivement en crypto-monnaie est la meilleure façon d'opérer cette transition dans notre communauté.

Aujourd'hui, plus que jamais, il faut prendre de la hauteur et s'engager avec audace dans cette aventure, la prochaine phase de notre développement.

Nous avons fait du chemin ensemble jusqu'ici, ce sera ensemble que nous poursuivrons notre route vers la réussite.

Merci

Estimados y valiosos colaboradores:

Tenemos una noticia realmente emocionante que queremos compartirla con ustedes.

¡A partir del miércoles 17 de febrero a las 12:00 (hora GMT), INBS confirmará su cambio a una CRIPTOECONOMÍA COMPLETA!

Esto significa que, a partir del miércoles, solo se aceptarán pagos en BTC, ETH, USDT y USDC (por ahora). Nuestra comunidad empezará por fin a disfrutar de la libertad y seguridad que ofrecen las criptomonedas.

Debido al actual clima financiero a nivel mundial, cada vez adquiere mayor importancia seguir cumpliendo la normativa a la vez que empujar los límites de la innovación.

Llevamos algún tiempo observando las tendencias, y estamos plenamente convencidos de que la oferta de pagar exclusivamente en criptomonedas es la mejor manera de iniciar esta transición sin contratiempos en nuestra comunidad.

Ahora más que nunca necesitaremos mantenernos firmes y demostrar nuestro coraje para adentrarnos en esta siguiente fase de nuestro desarrollo.

Juntos hemos llegado hasta aquí y juntos continuaremos recorriendo el camino de nuestro éxito compartido.

Gracias.
